NEOEA Game of Hope Player Application

The "Game of Hope Charity Basketball Classic" is a charity event put on by the Hope Foundation of the Mahoning Valley in Youngstown, Ohio. The Hope Foundation of the Mahoning Valley is a non-profit 501(c)(3) organization which raises money for chronically/terminally ill children. Their mission is the furtherance of charitable and financial support and volunteer services to and for chronically and/or terminally ill children on a local and regional level. This year's game is scheduled for Saturday, February 22, 2014, on the campus of Youngstown State University. Teams are comprised of local celebrities, dignitaries, community leaders and media—all from the area.

NEOEA and the Hope Foundation have teamed up to select one lucky person to represent us in the Game of Hope Charity Basketball Classic. The Public Relations Committee has the honor of selecting the one individual who represents this great organization. In the last eight years, the foundation and NEOEA have committed themselves to the children of our community so they can afford the same rights as healthy children.
